NGCP charts flight for medical supply donation

On April 28, an NGCP-chartered flight carrying 2 million facemasks, 400,000 KN95 masks, 50,000 N95 masks, and 21000 infrared thermometers arrived in Manila.

A part of NGCP's PhP1 Billion donation to the government's COVID-19 relief and response efforts, the medical supplies will be turned over to around 300 hospitals and city/municipal/rural health units across the country.

As of April 28, a total of 30 hospitals have already received an initial delivery of medical equipment and supplies.
